	AMENDMENT 17 to 06-24 ADOPTED			None	N/A	12/14/2006	7 (Diekhoff, Gaal, Mayer, Rollo, Ruff, Sturbaum, Volan)-2 (Sabbagh, Wisler)	This amendment authorizes the Council to exercise certain powers granted under I.C. 36-7-4-1500 et.al. when considering a Planned Unit Development (PUD) district ordinance. These powers include imposing reasonable conditions, conditioning the issuance of a certificate of zoning compliance on the providing of certain assurances, and allowing or requiring the property owner to make written commitments in connection with those proposals. Their exercise would give the Council the means to improve the PUD proposal without being forced to deny the ordinance in order to see the change.

	AMENDMENT 19 to ORD 06-24 NOT INTRODUCED			None	N/A	12/13/2006	N/A	<p>This amendment shifts the threshold for parking requirements from a minimum figure to a maximum figure. By stating allowable parking in terms of a maximum limit, the intent of this amendment is to accomplish the transportation goals set out in the City's Growth Policies Plan.</p> <p>Note: This amendment offers a different framework for parking than found in the current draft of the UDO. For that reason, the changes presented below are merely illustrative of the amendment's proposal. 	AMENDMENT 21 to ORD 06-24 FAILED			None	N/A	12/13/2006	2 (Ruff, Volan) -5 (Diekhoff, Mayer, Rollo, Ruff, Wisler) Gaal, Mayer absent FAILED	This amendment changes the phrase "alternative transportation" to "traditional transportation" wherever it appears in the UDO. The intent of this ordinance is to destigmatize normal, time-honored forms of urban transportation by presenting them co-equally with private motorized four-wheeled vehicles, and to encourage City officials and private citizens alike to consider non-automotive transportation choices co-equally with automotive ones when making decisions about urban infrastructure that affect transportation choices.

The resolution supports a plan that would provide for physician and hospital visits, pharmaceuticals, preventative care, dental care, long-term care, and non-discriminatory mental health care without deductibles and co-

								payments, and would provide all patients and providers freedom of choice. Finally, the resolution supports federal and State legislative initiatives to implement universal publicly-paid health care.
